

## **CRITICAL THINKING SKILLS: REFINING YOUR AWARENESS (YOU BECOME WHAT YOU THINK ABOUT)**

1. *Think for Yourself*  
It takes courage to be independent?
2. *Intellectual Humility*  
It takes courage to admit inadequacy
3. *Intellectual Courage*  
Don't let fear cloud your judgment
4. *Intellectual Empathy*  
Let your heart help guide your understanding
5. *Intellectual Integrity*  
Beware of self-delusion
6. *Intellectual Perseverance*  
Keep searching despite set-backs and frustration
7. *Faith in Reasoning*  
The truth will set you free more consistently than faith alone
8. *Develop Your Memory*  
Knowledge and power ultimately rely on what you can remember
